

A Student Seminar For Future Leaders

Senator For A Day

March 10, 2022

Hosted By
State Senator Pat Stefano

“This day gives students an opportunity to get a glimpse of how government functions and how it reacts to public policy issues.

Here’s your chance to be Senator For A Day...”

– Senator Pat Stefano

Have you ever wondered what it would be like to be a state Senator? This seminar will give you a chance to find out. You’ll serve on a Senate committee, develop positions on legislation, debate issues in front of your classmates and learn what it takes to get a law passed or defeated. Rather than reading about the process, you’ll be a part of it – helping to shape the policies and laws that affect your life.

AGENDA

Senate session will open with a discussion on how the legislative process works.

Senators will divide into Senate committees to discuss bills, take positions on legislation, and actually draft laws for the full Senate to consider in the afternoon General Session.
